

# Y&H AMBASSADORS 2021 APPLICATION

Kia ora,

**Y&H Ambassadors are motivated senior secondary students from the Wellington area who are passionate about theatre, and sharing their experiences. Each year, Ambassadors are nominated by their teachers and apply to take part in this opportunity.**

Young & Hungry Ambassadors get free tickets to a range of shows in Wellington throughout the year by our good friends at Circa Theatre, New Zealand Opera, Toi Whakaari, BATS Theatre and a range of independent community groups.

Coming from different schools, Y&H Ambassadors create a small community of like-minded theatre enthusiasts. Ambassadors participate in post-show Q&As and have the opportunity to attend the occasional rehearsal and back-stage tour.

Y&H Ambassadors learn about critical assessment and the art of reviewing and their reviews and experiences (via written reviews, photos, videos etc.) are shared with the host companies and via Y&H communications channels (as appropriate).
